

# Support to develop your skills

Are you:

- an Australian citizen
- an Australian permanent resident (includes humanitarian entrant)
- a temporary resident with the necessary visa and work permits on the pathway to permanent residency
- a New Zealand citizen.

You may be eligible for subsidised training.

Subsidised training is where the Queensland Government contributes to the cost of your course.

This reduces the cost of study for eligible students for a wide range of vocational education and training courses offered by training organisations.

As a migrant or refugee you may be eligible.

To check if your visa status allows you to access subsidised training, visit [desbt.qld.gov.au](http://desbt.qld.gov.au) or call 1300 369 935.
