

ALEXANDRA HILLS TAFE TRADE TRAINING

PROJECT VALUES

Revitalise the existing TAFE's facilities to be better suited for construction teaching and learning

Foster users' sense of belonging, security and safety by designing welcoming and inviting places for people

Provide a new Landmark for Alexandra Hills TAFE

Improve wellbeing and cognitive performance of users by introducing biophilic design principles

Support flexibility and adaptability to allow for different uses as required over time

Contribute to a network of spaces within the campus to support social learning
