

Outlook Services: Facilities and site-based services

Outlook Services has 3 facilities across Queensland. These facilities are designed to service and support government departments and community organisations by offering a variety of programming, conferencing, and accommodation facilities.

The northern outlook: Redlynch, Cairns

646 Redlynch Intake Road, Redlynch, QLD, 4870.

The northern outlook is an 80-hectare, conservation listed property located in Redlynch, a suburb 10 kilometres from Cairns CBD. The northern outlook programs specialise in developmental group work, adventure intervention programs, intentional group work facilitation, and instructor competencies aimed at supporting agencies to independently deliver programs.

Across the northern outlook property there are problem-solving, indoor, and outdoor ropes activities, and nature trail and creek walks. The property has camping facilities, training rooms and an outdoor conference space to support staff development, and group program design and delivery.

The southern outlook: Boonah

4001 Ipswich-Boonah Road, Boonah, QLD, 4310.

The southern outlook is a 26-hectare site located in Boonah, approximately 80km south-west of Brisbane city. Its primary function is the delivery of programs targeted to learning and growth outcomes for young people in, or at risk of entering, the youth justice system and to provide group-work training to youth justice staff.

Across the property there are multiple problem-solving and ropes activities along with seven air-conditioned accommodation facilities for up to 100 guests, in addition to multiple indoor and outdoor meeting and conference spaces. Catering options available upon request.

The Southern Outlook: Lake Perseverance Centre

854 Perseverance Dam Road, Crows Nest, QLD, 4355.

Lake Perseverance, located near Crows Nest, is a two-hectare site that is located approximately 50 kilometres north of Toowoomba. Lake Perseverance backs on to the picturesque Lake Perseverance dam. Its primary function is the delivery of programs targeted for learning and growth outcomes for young people in, or at risk of entering, the youth justice system. Lake Perseverance also provides group-work training to youth justice staff and a wide range of community organisations.

Across the property there are areas for problem-solving, orienteering, archery, abseiling, canoeing and ropes activities. With 12 air-conditioned cabin style accommodation facilities and a large recreation hall, this site can accommodate up to 100 guests, with catering options available upon request.
