#### Notes:

- Data retrieved on a different date to the reported date above may not equal the numbers presented in this report. This is because the numbers are derived from live systems which are continuously updated.
- RTO data is retrieved from the "RTO types" report on the Training website. The filters used to extract this information include selecting all options that are 'Current' in the registration status (this includes 'Current', 'Current (Suspended)', 'Current (Re-registration pending)' and 'Current (in Administration/Liquidation)') and the 'Head office address' for the 'Report by' filter. The returned report will be by RTO type and by jurisdiction.
- The above RTO numbers are calculated by summing the following categories in the RTO type report:
  - 'TAFE' (includes Technical And Further Education Institute, Skills Institute Or Polytechnic)
